

Younger Onset Dementia Short Term Accommodation (Respite)

St Louis On Victoria is a registered NDIS Short Term Accommodation (STA) provider, specialising in younger onset dementia.

Our individualised respite is tailored to the needs of people living with younger onset dementia. We actively encourage purposeful involvement in activities around the home and local community.

St Louis On Victoria is a welcoming 3 bedroom home located close to the beach and central Victor Harbor. St Louis Homes are designed to make you feel comfortable and secure the moment you walk in the door.

Home is at the heart of everything we do.

Why Respite?

Respite is a break.

We understand looking after a loved one with younger onset dementia can be emotionally and physically exhausting.

Respite relieves stress for the carer and can provide a positive experience for the person being cared for.

We provide 24 hour personalised support and we also offer hospital to home respite.

"I don't see the dementia, I just see a person who needs support" - St Louis Homes Support worker.

Why St Louis On Victoria?

We offer respite for a maximum of 3 people.

Respite in a small home provides a secure and safe environment, a sense of belonging and a place to make new connections and friends.

Our 24 hour person-centred and active support approach encourages clients to use and learn skills for everyday tasks. Our clients are involved with home activities and they enjoy delicious home cooked meals.

We work in partnership with our clients to ensure we meet their individual support needs.
