

Younger Onset Dementia Short term Accommodation (Respite)

St Louis on Victoria is a registered NDIS Short Term Accommodation (STA) provider, specialising in younger onset dementia. Respite is 24 hour person-centred support for people living with younger onset dementia.

Our support is tailored to your needs and actively encourages people to be purposefully involved in activities around the home and local community.

St Louis on Victoria is a welcoming 3 bedroom home located in the centre of Victor Harbor and one street from the beach. Our homes are designed to make you feel comfortable and secure from the moment you step in the door.

Home is at
the heart of
everything
we do.

Why Respite?

Respite is a break.

We understand looking after a loved one with younger onset dementia can be emotionally and physically exhausting.

Respite relieves stress for the carer and can provide a positive experience for the person being cared for. We provide 24 hour personalised support from qualified, trained, experienced staff guided by our leadership team.

We also offer hospital to home respite.

"I don't see the dementia, I just see a person who needs support" - St Louis Homes Support worker.

Why St Louis on Victoria?

We offer respite for a maximum of 3 people with 24 hour personalised support and delicious home cooked meals.

St Louis on Victoria is a Registered NDIS approved provider for Short Term Accommodation (STA), specialising in younger onset dementia.

We work in partnership with the client and their families. Our person-centred active support approach encourages clients to use and learn skills for everyday tasks.

Respite in a smaller home allows for a sense of belonging and can be a place to make new connections and friends.

At St Louis Homes, we have a strong leadership team with a focus on meeting your individual support needs. Our support staff are our greatest asset as they are qualified, trained and experienced in younger onset dementia support.
